PRE-KINDERGARTEN (3K)

The Three-Year-Old program cost is \$65 per day. Students attending at the beginning of Term 1 (those who have already turned 3 years) will be charged for a full year (based on 38 weeks). Students starting during the year are charged for the remainder of the year.

Please note that parents are charged for the term including sessions children do not attend through absence such as sickness or vacations. This program is completely self-funded, as there are no government benefits for schools that are available to support the Three-Year-Old program.
